

Celebrating our honorees and our legacy of leadership as we continue Advancing Care. Here.

HealthAlliance Hospital, a member of WMCHHealth, provides medical care in the Mid-Hudson Valley. This newly expanded and enhanced, 162-bed hospital, located on Mary's Avenue in Kingston, NY, provides local residents and visitors with acute care services and direct access to the renowned care of the Hudson Valley's largest healthcare network, WMCHHealth. HealthAlliance is a Certified Primary Stroke Center and a designated Level III Trauma Center. Services include Emergency Medicine, Cardiac Catheterization, Critical Care, Surgery, Orthopedics including Total Joint Replacement, and the Family Birth Center. It is also home to WMCHHealth's Heart & Vascular Institute, the Women's Health Institute, the Wound Healing Center, the Dialysis Center, the Diabetes Education Center, and more.
