# Motorcycle and ATV Awareness

WMCHHealth and The Biker Foundation of the Hudson Valley Biker Network will be hosting a **FREE** 4-hour educational and awareness program for those 16 and up.

To attend you must pre-register at <https://forms.office.com/r/YBxyjj69HH>

Motorcycle riding practices and safety go hand in hand. Our team of experts will be on hand to provide key information and safety info to help you reduce the chances of accidents and fatalities while riding throughout the year.

This event will combine motorcycle and ATV, safety, awareness and education elements of the Stop The Bleed Program. Accidents happen every day, our goal is to help educate, train and walk you through key safety measures, habits and tips in order to keep you safe throughout the year.

**Please join us for this special event promoting safety, awareness and education!**
